

**6TH ANNUAL
FUTURE STARS SPORTS CLINIC
2023 SPONSORSHIP
PACKAGE**

“IF WE BELIEVE WE CAN, THEN WE WILL”

CONCEPT:

Future Stars Sports Clinic, a 501(c)(3) non-profit organization, serves the Fort Walton Beach and surrounding communities as a tool to develop youths ages 6-13 via the powerful sport. The ultimate objective of the structured 5-week clinic, which balances fun, rigorous training, and mentorship to produce a positive learning environment, is to instill in the participants self-confidence via the mastery of sports safety and fundamentals. Further still, we create an environment in which children integrate together as a team through sport, but more importantly as a community via two community service events, taking ownership of our society whose legacy will one day rest in their hands.

Future Stars Sports Clinic achieves these objectives via our motto that “If we believe we can, then we will” and by focusing on our 5 critical pillars of success: Practice, Teamwork, Discipline, Focus, and Respect. Each clinic begins and culminates with an interactive discussion of these pillars in open-ended conversations with the participants, and how they apply to life and the skills taught that day. Future Stars Sports Clinic’s success is contingent upon the energy of the 25-30 person volunteer staff composed of committed citizens, military members, coaches, high school athletes, and guest speakers including collegiate and professional level athletes that interact with the youth. Transcending sports, Future Stars Sports Clinic simply utilizes sports as the canvas to bring together the community to mentor our youth, painting a future for confident individuals who believe their community is invested in them to achieve success on the field as athletes, and in life, as responsible, committed citizens.

There are various levels of sponsorship to support Future Stars Sports Clinic which are stated on the following page. As a direct result of your sponsorship, you help cover our operating costs, so you can give knowing your generous gift will help local boys and girls get active in all sports while developing the life tools to succeed off the field. Thanks to your sponsorship, our clinic is 100% free for all our participants.

Every sponsor dollar donated goes directly to the Future Stars program and players. If you enjoy sports and watching the youth of our community be inspired and motivated to be a better version of themselves, we invite you to become a part of our winning program.
